# Evolving the Treatment Paradigm in Movement Disorders

©McCormick Place Convention Center

We are excited to invite you to the bustling city of Chicago for the IAPRD World Congress 2023. Set on the southwestern shore of Lake Michigan, Chicago is known for its walkable parks, iconic architecture, world-class museums, and award-winning dining. The venue, McCormick Congress and Conference Centre, is located on Chicago's lakefront, just minutes from downtown and facing the city's legendary skyline.

**Save the date and sign up for our congress newsletter at [www.iaprd-world-congress.com](http://www.iaprd-world-congress.com).**

# WELCOME TO CHICAGO

Program Executive  
Committee*

*Daniel Truong,  
MD, Prof hc  
President, IAPRD*

*Alberto Albanese,  
MD, PhD  
President Elect, IAPRD*

## Congress Highlights

- **Resident and Fellow Education program** – half-day devoted to education in movement disorders followed by an educational parallel track throughout the congress
- **Personal and interactive meeting** – the smaller size of this congress permits interactions among colleagues across different countries and career stages
- **Expert updates** on current and advanced therapies and evolving approaches to patient care, led by a world-class faculty
- **Skills workshops** – practical and insider information you can't get from a textbook
- **Enhanced poster interactions** – to promote discussion of your work
- **Clinical practice focus** – numerous sessions designed specifically for clinical practitioners in movement disorders
